"Untold Agony from Catarrh." Prof. W. HAUSNER, the famous mesmerist, of Rhaca, N. F., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Hemedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting," "Constantly Hawking and Spitting,"
Thomas J. Rushing, Esq., 2002 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. At times I could
hardly breathe, and was constantly hawking
and spitting, and for the last eight months
could not breathe through the nostrils. I
thought nothing could be done for me. Luckily, I was advised to try Dr. Sago's Catarrh
Remedy, and I am now a well man. I believe
it to be the only sure remedy for catarrh now
manufactured, and one has only to give it a
fair trial to experience astounding results and
a permanent cure."

Three Bottles Cure Catarrh. BLI Robbins, Rungan P. O., Columbia Co., Pa., says: "My daughter had entarth when she was five years old, very badly. I saw Dr. Sage's-Catarth Remedy advertised, and procured a boitle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
